

St. Peter Pastoral Council Meeting 7-11-22 7:00 PM Minutes

Attendees – Rob S, Pete B, Tom S, Father Biju and Kathy F. Absent Mark S

- . Approved minutes from last meeting. No copy of so pulled up from Kathy Flock email in March being I covered minutes last meeting and Father didn't have a copy.
- . Discussed welcome letter Father Biju did and reviewed for new Parish members. Also discussed that at previous meeting we were going to kick off announcing new members in May and would coordinate this with donuts on the first Sunday of the month in basement so people could get to know. Was delayed and will be implemented. The plan was Father would go back to 2022 and 2023 to be sure to capture some new members who came from Bangor and let them know when this will for sure start, so they have a notice to be at church that Sunday.
- . Talked about Inspired by the Spirt campaign and that we have made our goal and exceeded by 14% with 30 donors. Goal \$85,000 and pledged hit 114% with \$31,155 received from pledges so far.
- . Chris Pundzak off Parish Pastoral Council due to becoming member at St. Joesph church so will post in bulletin that there is an open spot first and see if anyone interested.
- . Sick and elderly home visits and Communion 1st Friday of Month.
- . Pete working on property line and may be a while but in the works.
- . Gary Flock and Pete Benzing will put together a list of small projects needed with pictures so that parish members with those talents know what needs to be done and can maybe lend a hand.
- . A new Large Fan bought to hang overhead in church on order and will get installed when it arrives.
- . Touch on CCD teachers and things are in the works to be sure covered.
- . Next meeting Tuesday 11-14-23 at 7:30 pm.
